HEALTH PROGRAMME

FUNDING APPEAL - 2025

Introduction:-

An accident five years ago suddenly changed the life of Azmat Rubab, 40, the mother of one child, whose career as a teacher abruptly ended. Her husband, Syed Zahid Abbas Naqvi who works in a mobile shop on daily wages, doesn't have the financial means to take care of his wife's medical bills and also afford the expenses of the child. The accident caused chronic diarrhea and was treated in various hospitals but the disease worsened. Due to the persistent illness, Azmat Rubab had to leave her teaching job. Doctors have recommended a CT scan, TTG and some laboratory tests which cost about Rs 40,000. The gastroenterologist has also advised a comprehensive medical treatment for six months. The treatment required urgently is estimated to cost approximately Rupees 130,000. With Zahids' income of Rs 18,000 per month, the family cannot afford the medical expenses. With such a meager income, Syed Zahid Abbas is unable to pay his son's school fee, which has been pending for several months. MICT is separately supporting the education expenses of the son. Syed Zahid Abbas himself is a kidney patient and is unable to get treatment due to lack of money. Azmat Rubab's family has approached the **Madinatul Ilm Charitable Trust (MICT)** for support for which donations are requested.
