PAKISTAN

EDUCATION PROGRAM - FUNDING APPEAL

Introduction

Education is one of the most effective ways to break the cycle of poverty and create opportunities for a better future. Madinatul Ilm Charitable Trust (MICT) supports talented and deserving students who face financial barriers in continuing their education.

Family Background & Financial Condition

Hassan Ali S/O Muhammad Imtiaz is currently enrolled in the 7th semester of BS Software Engineering at National University of Modern Languages (NUML), Islamabad.

He belongs to a remote village, Dohrian, in District Chakwal. His father works as an office boy/cleaner at a Mirza Real Estate office in Rawalpindi with a monthly salary of Rs 27,000.0 which is insufficient to meet household and educational expenses.

The family has three children and has already borrowed Rs 200,000 to pay Hassan Ali's previous semester fees. Due to severe financial hardship, Hassan Ali is now at risk of discontinuing his education. Hassan Ali has approached **Madinatul Ilm Charitable Trust (MICT)** requesting financial assistance to pay his remaining tuition fee so that he can complete his degree.

Family Details of Hassan Ali

Name	Age (Years)	Status	Occupation
M Imtiaz	56	Father	Office Boy/Cleaner
Shabeela Shaheen	52	Mother	Housewife
Hassan Ali	24	Applicant	Student
Kinza Imtiaz	22	Sister	Left Study
Shahzaib Ali	19	Brother	Student

Selection Process

MICT identifies students through selection process to ensure that only genuinely deserving and financially disadvantaged students receive support.

Monitoring of Students' Performance

Once a student is selected for sponsorship, Madinatul Ilm Charitable Trust (MICT) ensures proper monitoring of the student's academic progress. Continued financial support is provided only if the student demonstrates satisfactory performance at the end of each semester and submits the semester results along with academic progress reports.

Financial Cost

Hassan Ali requires Rs 110,000 per semester to continue his BS Software Engineering. With two semesters remaining, the total financial support required is **Rs 220,000**.

Request for Support

MICT kindly appeals to donors to support Hassan Ali's education so he can complete his studies and build a better future for himself and his family.
